

Medicare 101 Support and Training

With access to the Medicare 101 platform, our advisors receive everything they need to bring a Medicare practice to their business or enhance their current Medicare marketing. This one stop shop provides advisors the information needed to become well-versed in Medicare and ensures advisors are equipped with the tools needed to properly assist their clients.

With our program, you will have access to:

- The leading Medicare companies in your area through an industry leading Medicare FMO.
- Medicare 101 YouTube Channel with training videos.
- One-on-one coaching from three leading Medicare Mentors.
- Live chat for any and all Medicare questions.
- Medicare contracting guidance and assistance: we will walk you through the Medicare contracting process from beginning to end.
- Workshop training: we prepare you for your first workshop with tools to get you familiar with Medicare, Medicare frequently asked questions, and workshop training with our Medicare Mentors.
- Medicare Appointment Coaching Sessions: through various coaching sessions, our Medicare Mentors provide guidance on how to transition your Medicare appointments into Financial conversations.
